

CANADIAN INVENTORY AS OF MARCH 1, 2016

This inventory of our Canadian library holdings was made by one of our board members who is also one of our librarians, Melissa McCort Facticeau. She was active in the society many years ago, when Addie Shields, Bill Marquis and others used to go to Montreal to do research. Melissa became an active member again and is now also our Membership Coordinator.

Thanks to Dick Lynch's leadership as librarian, our library has grown. We often receive donations of books which we add to the stacks, Dick orders books to fill in the holes and members suggest books that might be good for us to have.

When you look through this list, you'll find books you never knew we had, but that would be good in your research.
