Champlain Centre to Donate Furniture

(Plattsburgh, NY) – As a small part of a large overall enhancement project, Champlain Centre will be replacing their trash receptacles and benches. Approximately half of the existing furniture will be earmarked for donations, a total of about 40 pieces. Pieces are suitable for interior and exterior use, and are in excellent condition. The furniture is made with recycled plastic and is very sturdy. The manufacturer is Upbeat, and the style is called Woodwind. Items can be seen at: <https://www.upbeat.com/woodwind-contour-bench/CB6/product.aspx>

Any non-profit, municipality, or school system in Clinton, Essex, or Franklin County can be considered for a donation. Registration is easy and can be done by: (1) email champlaincentremail@gmail.com, indicating your interest in either benches, or trash receptacles, or both, and the quantity you desire, (2) pick-up a form at the Mall Office, or (3) go to the Champlain Centre Facebook page and send a message, indicating your interest in either benches, or trash receptacles, or both, and the quantity you desire. Deadline for entry is September 14th, 2015. All items must be picked-up by the donee a week after notification by the Centre.

Champlain Centre will randomly select the donees. The number of items donated to each organization may be limited, depending upon the number of requests that are received. The remaining half of the items that are not being donated will be sold.
