

U. S. AND OTHERS INVENTORY AS OF AUGUST 17, 2017

This year, Melissa McCort Facteau completed the second part of our inventory. She was active in the society many years ago, when Addie Shields, Bill Marquis and others used to go to Montreal to do research. Melissa became an active member again and is now also our Membership Coordinator and works the third Wednesday of every month at our library.

Thanks to Dick Lynch's leadership as librarian, our library has grown. We often receive donations of books which we add to the stacks, Dick orders books to fill in the holes and members suggest books that might be good for us to have.

When you look through this list, you'll find books you never knew we had, but that would be good in your research. One of our latest is on the 16th NY Cavalry in the Civil War. Several men from Clinton County were in the regiment. The author of the book, "Chasing Mosby, Killing Booth", James Carson gave a well-attended talk at the Saranac Town Hall on September 28th.
