Notes for Noah Deso:

Section Hand is Killed by D&H Train

Noah Deso, 53, of West Chazy Met Terrible Death

Yesterday Noah Deso, 53, West Chazy, and father of six children, was instantly killed yesterday when struck by a northbound passenger train at 6:32 a.m., just north of the West Chazy station. How the accident occurred is unknown.

Deso, a section foreman for the Delaware and Hudson railroad, was seen standing near the tracks just north of the station by the West Chazy mail carrier as the train approached from the south. The mail carrier waved to Deso, and the latter waved back. As the train does not stop at West Chazy, the mail is tossed off. After the train sped by and the mail carrier had collected the mail, he looked up the track and to his horror discovered Deso's mangled body.

It is believed that Deso in stepping out of the way of the approaching train slipped and fell and did not have time to escape his terrible death.

Dr. Hubert Stiles, coroner, was notified and gave permission for the removal of the

---

body to Carleton's funeral home at West Chazy.

After holding an inquest Dr. Stiles indicated he would return a verdict of accidental death.

Deso had been employed by the railroad nearly all his life and for the past eight years was section foreman at West Chazy.
