

Ancestors of June E. Whitney - Child of Leon Whitney and Ruth Lord

These are a few of the Whitney/Lord ancestors I had in my database.

The obituaries come from the Plattsburgh Press Republican online at: www.nnyln.org. Click on "Historic Newspapers" and everything is easily searchable. For recent information about the children of Leon and Ruth, this would be the best place to find it.

The Clinton County Historical Association doesn't have any genealogical information on these families.

The Northern New York American-Canadian Genealogical Society will have more information in their files. We just published the Lyon Mountain church records. The person to contact is Gloria Pratt at: grcp@charter.net. She's the researcher for our society.

Hope this helps.
